

**Bryan L. Boettger**

President, Safety and Security Systems Group / Public Safety Systems division

Bryan L. Boettger is president of Federal Signal Corporation's Public Safety Systems Division, Safety and Security Systems Group. Boettger joined Federal Signal in 1988 as Manager for Manufacturing Operations and has continued through the organization in positions of increasing responsibility. Boettger holds a Master of Business Administration from Kellogg School of Management at Northwestern University and a Bachelor of Science degree in Mechanical Engineering from Purdue University.

In his current role, Boettger is responsible for Federal Signal's Public Safety Systems division, which is a leading manufacturer of visual and audible devices, and in-car video for Law Enforcement, Fire/EMS and Amber vehicles.
