

COMPLIANCE HOTLINE

FEDERAL SIGNAL CORPORATION maintains a confidential toll-free hotline that allows Company employees, shareholders and interested third parties to report on possible violations of laws, regulations, or Company policies. Reports may be made on an anonymous basis. The hotline is staffed 24 hours a day, every day. Possible violations may also be reported online. International callers may call the Company's general switchboard (collect) and request to be transferred to the hotline.

Employees are encouraged first to report any issues to their local human resources department. Matters reported through the hotline are referred to the Company's General Counsel, Jennifer Sherman, who will coordinate investigation and resolution.
