

**David E. Janek**

President, Safety & Security Systems Group

David E. Janek, 46, is president of Federal Signal Corporation's Safety and Security Systems Group. He is responsible for all aspects of the group's business.

Prior to this, Janek served as vice president and controller of Federal Signal Corporation from 2008 to 2010 where he was responsible for all internal and external financial reporting, SOX administration and management of the corporate accounting department.

Janek served as vice president and treasurer of Federal Signal Corporation and was responsible for the corporation's treasury operations, risk management and investor relations from 2006 to 2008. Prior to this, Janek served as vice president of finance for Federal Signal's Safety Products Group from 2002 to 2006.

Prior to joining Federal Signal, Janek served as vice president of finance and administration at Zellweger Analytics, Inc., now Honeywell Analytics. Previously he served in financial positions of increasing responsibility at Woodhead Industries, Inc., now a subsidiary of Molex. Janek began his public accounting career in 1985 with Deloitte Haskins & Sells, now Deloitte & Touche.

Janek holds a Master of Management degree from Northwestern University's Kellogg Graduate School of Management. He is a certified public accountant and holds a Bachelor of Science degree in Accountancy from the University of Illinois.
