

Dennis J. Martin

President and Chief Executive Officer

Dennis J. Martin is President and Chief Executive Officer. He was appointed to the position on October 30, 2010. Mr. Martin has been a member of the Federal Signal Corporation Board of Directors since March 2008 and continues to serve as a member of the board. With over 35 years of operational and leadership experience, he has worked at several diversified global industrial manufacturing companies.

Mr. Martin previously served as Chairman and CEO of General Binding Corporation (GBC), a global manufacturer and marketer of binding and laminating office equipment. He joined GBC from Illinois Tool Works, where he was Corporate Executive Vice President and Chief Executive Officer of the Welding Products Group. Earlier in his career, he worked at Ingersoll-Rand Company, primarily in sales and marketing roles.

In addition to the Board of Directors of Federal Signal Corporation, Mr. Martin has served on the Boards of HNI Corporation, a provider of office furniture and hearths, since July 2000; and Coleman Cable, Inc., a manufacturer and innovator of electrical and electronic wire and cable products, since February 2008. He previously served on the Board of Directors of A.O. Smith Corporation, a manufacturer of water heating systems and electric motors, from January 2004 until December 2005.

Mr. Martin earned a B.S. degree in Industrial Engineering and Management from the University of New Haven.
