## **Federal Signal Corporation Releases Inaugural Sustainability Report**

**Oak Brook, Illinois, October 8, 2020** — Federal Signal Corporation (NYSE:FSS) (the “Company”), a leader in environmental and safety solutions, today released its first annual Sustainability Report, highlighting the Company’s ongoing focus on operating in a socially responsible and sustainable manner.

“I am delighted with the progress that we have made on our Environmental, Social, and Governance initiatives, and thrilled to share many of our accomplishments through the issuance of our inaugural Sustainability Report,” said Jennifer L. Sherman, President and Chief Executive Officer. “With our commitment to continuous innovation, strong governance, and reduced resource consumption, we continue to build and deliver equipment that has beneficial impacts to both the environment and human safety. We are proud to be a Company whose products have inherent environmental and social importance, and we hope that our pride is evident upon reading this report.”

“As a Company, we are committed to treating our employees fairly, supporting our local communities, and doing our part to make the world a cleaner, safer, and better place,” said Scott Rohrbaugh, Ph.D., Chair of the Company’s Environmental Compliance Oversight Committee. “With the issuance of this report, and those that we will issue in the years to come, we hope to demonstrate our legacy of sustainability.”
